

Latin Lower School Assembly

October 7,
2022

**A safe,
little place
for just
one
person.**

**So you
stretch and
draw your
circle even
bigger than
it's been.**

**Let us
create
bigger
circles all
around us.**

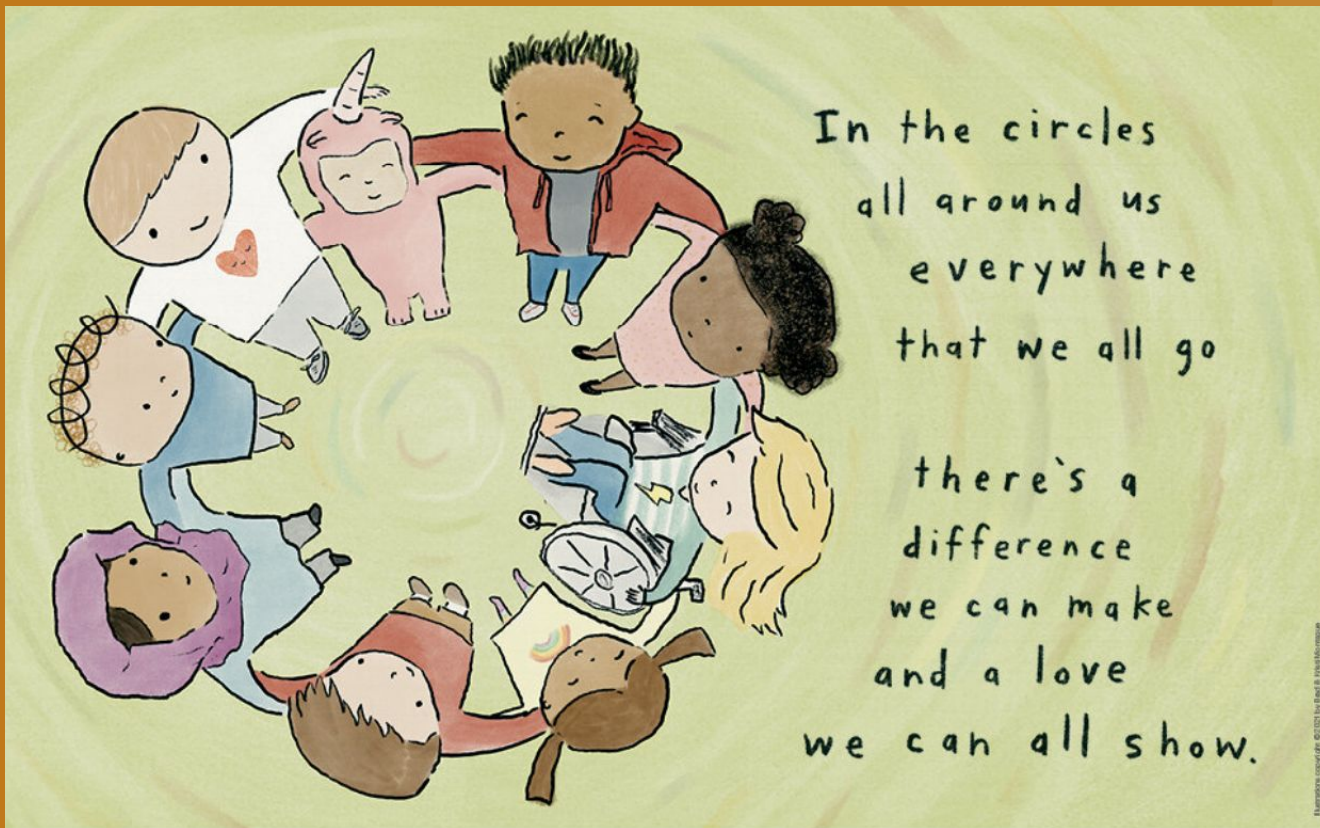

Circles, they bring us together.

So let's make a circle to brighten our world.

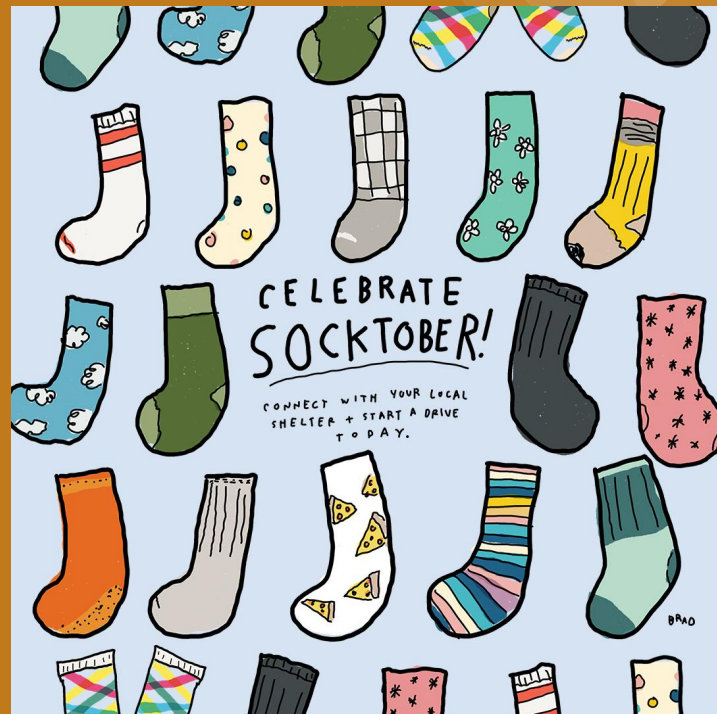

Join hands, show love to each other.

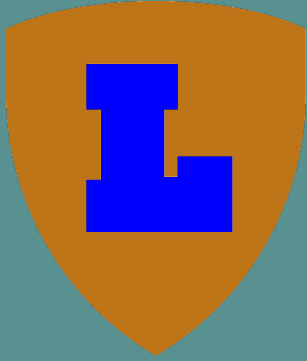

Remember the first circle started with me.
